

Circle of Life

ELTON JOHN

B **Gm** **Cm** **F**
 B **Cm**
From the day we arrive on the planet
 F **B**
And blinking, step into the sun
 Gm **Cm**
There's more to be seen than can ever be seen
 As **F**
More to do than can ever be done

 B **Cm**
Some say eat or be eaten
 F **B**
Some say live and let live
 Gm **Cm**
But all are agreed as they join the stampede
 As **F**
You should never take more than you give
 B **Es** **B**
In the circle of life
 As **Des** **As**
It's the wheel of fortune
 Es **As** **Es**
It's the leap of faith
 F **B** **F**
It's the band of hope
 B **G**
Till we find our place
 Cm **Ges(2)**
On the path unwinding
 B **F** **Es/B** **B**
In the circle, the circle of life

B **Cm**
 Some of us fall by the wayside
F **B**
 And some of us soar to the stars
Gm **Cm**
 And some of us sail through our troubles
As **F**
 And some have to live with the scars

B **Cm**
 There's far too much to take in here
F **D**
 More to find than can ever be found
Gm **Cm**
 But the sun rolling high through the sapphire sky
As **F**
 Keeps great and small on the endless round

B **Es** **B**
 In the circle of life
As **Des** **As**
 It's the wheel of fortune
Es **As** **Es**
 It's the leap of faith
F **B** **F**
 It's the band of hope
B **G**
 Till we find our place
Cm **Ges(2)**
 On the path unwinding
B **F** **Es/B** **B**
 In the circle, the circle of life 2x

Am **Es(2)**
 On the path unwinding
G **D** **C/G** **G**
 In the circle, the circle of life
